Luxembourg, 9 November 2026

Bernard du Plessis appointed Chief Executive Officer of Eaglestone Luxembourg

Eaglestone Group announces the appointment of Bernard du Plessis, a specialist in real estate investment and fund management, as Chief Executive Officer of Eaglestone Luxembourg, effective 9 November 2026.

Founded in 2015, Eaglestone Luxembourg develops residential, office and retail projects in the Grand Duchy. Its most emblematic projects are the Prism office building at Cloche d'Or, certified BREEAM Excellent, and the Prince building on Boulevard Prince Henri, in the heart of the capital. These are complemented by The Arc, a mixed-use building with an Art Deco façade opposite the central station, and the new Brooklyn district in Bonnevoie. The company is also developing two office projects: The Nest at Cloche d'Or and The Bridge, at the entrance to Brooklyn, acquired by the City of Luxembourg.

A graduate of ESSEC Business School, Bernard du Plessis has more than fifteen years of pan-European experience in real estate investment across France, Germany, Spain, Luxembourg, the United Kingdom and Ireland.

Before joining Eaglestone Luxembourg, he had been a Director at Shaftesbury Asset Management in Luxembourg since 2024, where he was responsible for a pan-European value-add real estate fund. From 2015 to 2024, he held a similar position at Radian Investment Management, working on a private core fund invested mainly in offices, logistics and hospitality across Europe. He began his career in real estate development at Covivio in Paris. He is also a member of LuxReal.

This appointment marks a new chapter for the subsidiary. Bernard du Plessis will bring his real estate fund experience to Eaglestone Luxembourg, with a mission to optimize the portfolio under construction and in development, and to identify new projects in the Grand Duchy.

> *"Bernard has spent more than ten years managing real estate funds from Luxembourg, structuring pan-European financing and building long-term relationships with private investors. Eaglestone Luxembourg continues to develop its existing portfolio while actively seeking new projects: these are the two areas where his experience will make a difference."*
>
> **Nicolas Orts, co-CEO of Eaglestone Group**

> *"I am delighted to join Eaglestone in Luxembourg. I would like to thank Nicolas Orts and Gaétan Clermont for their trust, and the teams for their warm welcome. Drawing on my experience in real estate development and investment, I am committed to growing our projects in the Grand Duchy and strengthening Eaglestone's position in this market."*
